**National University of Modern Languages**

2022 - Present

# Muhammad Haseeb Qureshi

## PROFILE

As a diligent software engineering student, I am deeply motivated to solve complex problems in the programming sphere. With proficiency in Java, C++, and Python, I have developed a strong foundation through academic pursuits and hands-on projects. I am committed to continuous learning, actively seeking growth opportunities to remain current with evolving technologies. My objective is to make significant contributions to the software engineering domain, striving to deliver impactful solutions that address key challenges.
